TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of New London in the County of Merrimack in said State, qualified to vote in Town Affairs:

(L. S.)

You are hereby notified to meet at Whipple Memorial Hall in said New London on Tuesday, the ninth day of March, next, at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To see if the Town will vote to raise the sum of \$12,800.00 to defray Town Charges for the ensuing year and make appropriation of the same.
4. To see if the Town will vote to raise and appropriate the sum of \$150.00 for the observance of Memorial Day.
5. To see if the Town will vote to raise and appropriate the sum of \$4,100.00 for the Town Library for the ensuing year.
6. To see if the Town will vote to raise and appropriate the sum of \$2,101.50 for street lighting for the ensuing year.
7. To see if the Town will vote to raise and appropriate the sum of \$450.00 for cemetery purposes for the ensuing year.

8. To see if the Town will vote to raise and appropriate the sum of \$3,300.00 for the support of the New London Hospital for the ensuing year. This amount to include \$300.00 for care of Town Poor.

9. To see if the Town will vote to raise and appropriate the sum of \$9,000.00 for Summer maintenance and \$4,000.00 for Winter maintenance of highways, bridges and sidewalks for the ensuing year.

10. To see if the Town will vote to raise and appropriate the sum of \$900.00 to tar Knights Hill Road from Norris Corner to Gordon Farmhouse.

11. To see if the Town will vote to raise and appropriate the sum of \$571.15, the State to give \$2,284.60 for Town Road Aid.

12. To see if the Town will vote to raise and appropriate the sum of \$200.00 to pay the Poison Ivy Division of the New Hampshire State Highway Commission for spraying the roadsides of the Town Highway.

13. To see if the Town will vote to raise and appropriate \$200.00 for the purpose of publicizing and promoting the natural advantages and resources of the Town, together with other towns in the Dartmouth-Lake Sunapee Region Association.

14. To see if the Town will vote to raise and appropriate the sum of \$100.00 to be used by the New London Outing Club for the purpose of maintaining an Information Booth in New London this coming summer. It being understood that any balance at the end of the season will be turned back to the Town.

15. To see if the Town will vote to raise and appropriate the sum of \$650.00 for Hydrant Service.

16. To see if the Town will vote to raise and appropriate the sum of \$6,741.00 for the purchase of the Colby Hill School Property.

17. To see if the Town will vote to authorize the Sewer Commission, the Selectmen and the Town Treasurer to issue bonds of the Town to the amount of \$31,-500.00 for the purpose of constructing improvements of a permanent nature in the Town Sewer System.

18. To see if the Town will raise and appropriate \$50.00 for planting and care of shade trees in highways and public grounds, the same to be available until used.

19. To see if the Town will instruct the Selectmen to install a street light at corner of Everett Park and Burpee Hill Road.

20. To ask the Town of New London to consider an appropriation of \$500.00 for the development and upkeep of an ice skating rink on the Main Street of New London.

21. To see whether the Town will accept title to a certain tract of land formerly owned by Catherine T. Wallace, said tract of land to be conveyed to the Town by deed of gift by the owners thereof for the purpose of constructing a landing field for aircraft, title to revert to the donors in the event said land shall not be so used; and furthermore, to see whether the Town will raise and appropriate \$5,000.00 for use in the construction and maintenance of said landing field on land so acquired, said sum to be expended only if the Town, upon application, succeeds in securing State and/or Federal funds for the construction and maintenance of said landing field for aircraft.

22. To see what action the Town of New London will take to alleviate the present problem of garbage disposal and take necessary action on the same.

23. To ask the Town of New London to pass an ordinance whereby a person or persons conducting any type of business for any part of a year in New London be taxed for said privilege comparable to the stock in trade tax paid by established businesses in town and thereby collect extra revenue for the Town.

24. To see if the Town will raise and appropriate the sum of \$100.00 for the cleaning up and beautification of the triangle at Crockett's Corner.

25. To see if the Town will raise and appropriate the sum of \$400.00 to tar Old Main Street from the Cemetery to the residence of George Graves.

26. To see if the Town will vote to discontinue the Budget Committee.

27. To see if the Town will vote to discontinue the paying of Hearse Hire.

28. To see what action the Town will take in regard to discount on taxes.

29. To see if the Town will vote to authorize the Selectmen to hire money in anticipation of taxes for the ensuing year.

30. To transact any other business which may legally come before said meeting.

Given under our hands and seal, this eighteenth day of February in the year of our Lord nineteen hundred and forty-eight.

REPORT OF BUDGET COMMITTEE

February 5, 1948

To the voters of New London :

In accordance with the Laws of New Hampshire, Chapter 52, the New London Budget Committee held three meetings, one closed and two public hearings. These hearings were well attended and much interest was shown in the proposed articles for the warrant.

The committee was unanimous in its approval of all articles in both school and town warrants with the exception of two, the one pertaining to the landing field for aircraft and the other, to the sewer improvement plan. Neither of these were recommended by the committee. Due to the nature of the articles, the committee agreed that they should be presented to the town for its consideration, regardless of the committee vote.

The following articles were excluded from the warrant : \$400 for pine blister rust control, \$100 for beautification of the triangle at Crockett's Corner, and \$400 for tarring a section of Old Main Street.

Respectfully submitted,

1948 New London Budget Committee,

Almina C. Smith, Chairman.

REPORT OF AUDITORS

We have examined the books and accounts of the Selectmen, Town Clerk, Town Treasurer, Tax Collector, Road Agent, Cemetery Commissioners, Sewer Commissioners, Library Trustees, and Trustees of Trust Funds, have compared their several accounts, vouchers and bank statements of funds on deposit, and find these records to be in agreement, and believe these reports to be a true record of the conduct of the Town Business for the year ending December 31, 1947.

We have also examined the books and accounts of the Collector for, and the Treasurer of the New London Water System Precinct and find them correctly cast and supported by proper vouchers and statement of funds on deposit January 1, 1948.

IRA S. LITTLEFIELD,

ELIOT G. CLEMONS,

ANNUAL REPORTS

NEW LONDON SERVICE ORGANIZATION, INC.

The New London Service Organization is now four years old. One of its purposes, as defined by its state charter, is to endorse and promote, every worthy project in New London, so far as our funds and ability permit, as one way of doing Honor to our World War II Veterans. Another of the purposes in our charter is to help financially, individually or as groups, New London's World War II Veterans.

Once more I am happy to report continued progress in respect to these two purposes, of honoring and helping our Veterans, as you will find reported by our Clerk and by our Treasurer below. They each report how we found opportunity to help on certain local projects and to render financial aid to veterans. I trust that with the co-operation of the citizens of our town, we may always be able to render help and financial aid to worthy projects, as time goes forward.

Yours for continued success,

HERBERT D. SWIFT,

President.

During the year 1947, the New London Service Organization, Inc. held ten regular meetings and one special meeting. The annual meeting was combined with the January meeting and was held at the Copper Kettle. The directors were guests of Mr. Swift at a dinner preceding the business session. All of the other meetings have been held at Tracy Memorial Building and have been well attended.

In February, taking the place of the regular meeting, Mr. Tani, of the State Planning Board, came with his assistants and presented tentative plans for the proposed playground and athletic field to be developed at the New London Central School. These plans which Mr. Tani

submitted have been carefully studied by the Service Organization Committee in conjunction with the School Board, Mr. Livingstone, and other interested citizens.

The sum of \$250 was voted by the Organization to start work on the athletic field under the direction of the committee: Mrs. Kenneth Rich, Eliot Clemons, and Stanley Spiller. Mr. Holteen was engaged to cut brush and clear the land. The High School boys assisted in the work. As soon as the lumber and wood is removed, the committee plans to have the stone wall pushed back into the swamp, and do what filling in is necessary to make it level. Operations have been suspended for the winter months.

A revival of the old military levee was held in February in the High School auditorium, with Dr. Buker heading the committee in charge. A substantial sum was made for the Organization.

At Memorial Day flowers were sent to the parents who lost sons in the service during World War II.

The Service Organization has continued to participate in civic and community enterprises. The sum of \$170 was given to the Firemen for their "resuscitator" fund. On Hospital Day, under the direction of Mr. Swift, chances were sold on a deluxe wheelbarrow and \$90 was raised for the hospital. For the second year, the National Geographic Magazine was given the Elkins School in the name of the Kneeland Parshley Fund.

The Organization has continued its function of making loans to veterans.

At the present time a Service Record Book, which will contain the picture and record of each man or woman who served in World War II, is being compiled. This book will be placed in the library so that all may have access to it.

The vacancy created by Dr. Buker's resignation was filled by Col. Edwin Nash. This was the only change in personnel during the year.

Respectfully submitted,

MARION K. LINDSEY,

Clerk.

REPORT OF THE FIRE DEPARTMENT

January 1, 1947 to December 31st, 1947

Repairs to the firehouse caused by the recent fire have been completed satisfactorily and the Engineers wish to thank the contractors who participated in the work.

Lightning rods have been installed as an added precaution against lightning striking the building again.

A new Gamewell Alarm system with diaphone horn has been installed. This will permit the coding of alarms not possible with the old siren. If alarm boxes are installed in and about the fire district we would be in a position to ask for a reduction in our fire insurance rates from \$.31 per year to \$.25 and from a class 2 district to a class 1.

A 300 gallon tank has been installed on the Chevrolet Truck with small pump making it more effective in areas where water is not easily obtainable.

It will be necessary to replace a considerable amount of and add to our present supply of 2½ inch hose. Some of the hose being used at the present time has been in use since the department was first organized.

TRACY MEMORIAL BUILDING

The 1947 records of Tracy Memorial Building show that our twenty-first year of serving the reading public has been an extremely busy one.

The following statistics show a marked increase in our circulation.

Adult fiction	7473
Adult non-fiction	2318
Adult magazines	1213
Juvenile fiction	2409
Juvenile non-fiction	333
Juvenile magazines	94

This makes a circulation total of 13,840 which is the largest circulation since 1942.

We have added 800 new books of which two hundred twenty-eight were gifts. These additions are the largest for more than six years. Included among the donors were Mrs. Fred W. Sladen, Mrs. Mather Cleveland, Mr. Earl Lawler, Mrs. Agnes Gay, Mr. R. M. Baker, Mr. William Stanley, Miss Dorothy Adams, Miss Gertrude Jones, Mr. Fred Todd, Mrs. Mildred Sears, Mr. and Mrs. Jesse Peterson, Mrs. Helen P. Blake, Chrysler Motor Co., Dr. Harold W. Shedd, Mrs. Margaret Cary, Mr. Richard Webster, Mrs. Edith Carlisle, Mrs. George Heylman, Mr. Vaughan Biggert, Mrs. Eunice Blake, Mr. M. Roy London, and Metropolitan Life Insurance Co.

The table in the reading room is kept well supplied with nearly all the current magazines, some of which are generously given to us each year. At Christmas time a charming announcement of the renewal of our subscription to Fortune magazine by Mr. Herbert Swift was received. Others contributing magazines to the reading table are, Miss Betty Nichols, Misses Elizabeth

and Sallie Waite, Mrs. Kenneth A. Lord, Dr. William P. Clough, Jr., Mrs. Robert Sawyer, Mr. William Stanley, Mr. John Vaughan, Mrs. Mary Macomber, Mrs. Velma Champion, and Mrs. Helen S. Nelson.

Reference work is also on the increase. A monthly list is kept and checked to ascertain the subjects most called for and the most frequent questions. A great help, indeed, is the extensive pamphlet file prepared by the former librarian, Miss Lennie Messer. By careful thought and by constant clipping she has built up an invaluable addition to our library. We still have a great need for a large steel cabinet to house this file and so remove some of the congestion in the upper stack room.

We still continue to loan books to the Elkins School, the High School English and Home Economics classes, and to Sutton and Springfield. The Bookmobile from the Extension Division of the N. H. State library visits us alternate months and also leaves books at the home of Mrs. Willis Prescott in Elkins. We have been glad to lend books to Colby Junior College Library, Franklin Public Library, the State Library and to the Extension Division. Several of our library discards were gladly accepted by the Springfield Library. By continued sale of newspapers and waste paper we are steadily building up a fund to help toward the expense of a new steel file.

During the last year many meetings have been held in the auditorium and committee room. They include, Woman's Club, Hospital Board, a rug-hooking class, the New London Planning Board, Supervisors of the Check List, New London Service Organization, the Garden Club, and various committee meetings.

In May an interesting collection of juvenile books was on exhibit in connection with national Children's Spring Book Festival observed throughout the country.

A photographic exhibition, Medieval World, prepared by the editors of Life was shown in the auditorium beginning May 23 and continuing through June 7. This exhibition was made up of photographs which were published as a two part pictorial essay in the current issues of Life.

In June Mrs. Helen Colburn presented to families and friends the annual recital of her pupils which was well attended.

In July the New London Garden-Club held a very successful flower show with hundreds of visitors who were loud in their praise of the exhibits and their arrangements.

On the first of August Miss Lennie M. Messer resigned as librarian and Mrs. Helen S. Nelson was appointed to replace her. Miss Messer had been connected with the library since 1934 as assistant until 1941 when she was made librarian. Her unfailing helpfulness and her unremitting labor will be missed by everyone.

An exhibit of Oriental objects was held the week of August 9 through August 12 for the benefit of the hospital. Arranged by Mrs. Grafton Perkins in the auditorium, the pieces were principally from the collections of Col. Edwin Nash and Captain Robert W. Perkins. Many visitors enjoyed viewing them.

Also contributing to the hospital, Camp Sunapee presented a talented and youthful Counselor of music, Irvin Thomas Redcay, in a piano recital on August 17. The auditorium was filled with music lovers who thoroughly enjoyed the evening.

A sale of Arts and Crafts articles from many parts of the world, on August 19 and 20, from the World Wide Mission Handicraft Center, was well patronized by the people of New London and many summer visitors.

In September a copy of the list of residents who appear eligible for separate listings in the genealogical section of the new town history and compiled by Miss Nancy H. Lord was placed on file at the library. Anyone wishing to examine this copy is invited to do so.

Miss Mary Parker began the sponsorship and guidance of a painting class in October. The class intends to function through the winter of 1947 and 1948 and consists of people of the community interested in learning to improve their painting. They meet each Wednesday night from 7 to 10 p. m.

November brought us Children's Book Week with a display of new and interesting books for children and adults. The theme "Books for the World of Tomorrow" was carried out in each exhibit. The library tried to honor, especially, those favorite stories, old and new, that form the happy background of childhood. Over sixty children enjoyed visiting our display and placed over one hundred reserves on new books.

The celebration of National Art week brought a number of interesting works by New London townspeople and the faculty and students of Colby Junior College, into an exhibit in our auditorium. Thirty-eight paintings, collected by Miss Mary Parker and hung by Mr. George Draper and Mr. Thomas Wistar, showed a pleasing variety of subjects. In addition to a number of New Hampshire landscapes, there were portraits, still life, city scenes, and several others from the Maine coasts and from Sweden.

The Children's room, now under the supervision of Mrs. Jennie B. Lull, has had a high attendance throughout the year. The Girl Scouts have assisted the librarian many winter afternoons as part of their community work. Those assisting have been Mary Tilton, Mary Whittemore, Jean Weber, Gay Ellen Rich, Eleanor Barrett, June Gordon. During the summer months Mrs. William Bender conducted a story hour and handicraft class each Tuesday from two to three P. M. which was greatly enjoyed by the town children and summer visitors.

The banjo clock, absent so many years, has been repaired gratis by Mr. Frank Butler and again is hanging above the circulation desk.

Miss Janet Lorden acted as assistant during the vacation of the librarian in August.

Our garden has been kept lovely with the assistance of the Garden Club and the hard work of our janitor, Mr. Edward Dexter. Many visitors have enjoyed our flowers and we have received many compliments, particularly when the peonies are at the height of their beauty.

On April 10, 1897 the New London public library was opened at the Grange Hall. The year 1947 ushered in our fiftieth anniversary of serving the reading public of New London. Several generations of men, women and children have enjoyed the facilities of our library and it is the earnest wish of the librarian that for fifty years more it may continue to serve, faithfully and well, the people of New London.

NEW LONDON HOSPITAL BOARD 1947

The year 1947 has been an active one for the New London Hospital. During this time the members of the Board have met bi-monthly to carry on the necessary business of the hospital. The personnel of the New London Hospital Board has been:

President,	Dr. J. Duane Squires
Vice President,	Mrs. A. S. Little
Secretary,	Miss Mary C. Barrett
Treasurer,	Mr. Wayne K. Wheeler

DIRECTORS

Term expires 1947: Mrs. Edward L. Bike
Mr. George O. Draper

Term expires 1948: Mr. Clayton E. Fisher
Mrs. Amelia O. Reid

Term expires 1949: Mr. William F. Kidder
Mr. Eliot G. Clemons
(Appointed until next annual meeting.)

New Directors Elected October 8, 1947 to serve until next annual meeting:

Mr. James Gunscheon,	Bradford
Miss Lillian Ward,	Andover
Mr. Joseph Crowenshield,	Springfield
Mrs. Bradley Dewey,	Chairman of the Summer Residents' Committee

At a special meeting of the New London Hospital and Nursing Association on September 8, 1947, it was voted to revise the constitution and enlarge the Board membership to nine directors, thus bringing in more representatives from surrounding towns. The above-mentioned directors were appointed by the Board to serve until the next annual meeting.

Mr. William F. Kidder, chairman of the Future Plans Committee during the year, arranged for regional meetings in the neighboring towns. Good attendance marked these meetings and the people have shown a definite interest in the New London Hospital and its future. An open meeting held in New London on May 6 was the first of these group meetings. Many townspeople and the doctors attended and discussed our policy in regard to future plans.

After a similar meeting held in New London in July, the Future Plans Committee decided that professional assistance was necessary to enable them to plan efficiently for the future. After careful study, therefore, the Board voted unanimously to employ the services of the well-known New York firm of Tambllyn and Brown to make a survey of the possibilities for enlarging the Hospital. The costs of this survey were financed entirely by special gifts specifically made from interested friends of the Hospital, and no funds drawn from regular income were used. The Board feels deeply grateful to these friends who have the larger interests of the Hospital at heart and who voluntarily came forward to make possible the survey.

Hospital Day receipts on August 12, 1947 exceeded previous totals. The local committee secured \$4,922.70 and \$2,832.50 was raised by the Summer Residents' Committee.

The Hospital Aid Association has continued its generous efforts. This year the Aid had the Nurses' Home painted, presented a \$300.00 cash gift on the mortgage, and purchased all the linen for the Hospital. Other gifts to the Nurses' Home have included a grand piano, a sewing machine, and miscellaneous pieces of furniture.

The estate of the late George Corey, estimated to net two thousand dollars was left to the New London Hospital, with the hope that it might be used to benefit children. A portion of the money presented by the Summer Residents' Committee was used to purchase a new dishwashing machine and a dermatome. There were many other gifts too numerous to list from local groups and from individuals, for all of which we are deeply grateful.

The continued support and interest of the people in New London and the neighboring towns is deeply appreciated by the members of the Hospital Board. We are appreciative also of the efficient services of our superintendent, her nursing staff, and all other employees. The New London Hospital represents a growing investment of capital, human skills and devotion, and loyal support from hundreds of people.

The next few years for this Hospital, as for all others in our country, are going to be difficult ones. We on the Board bespeak an interest, a financial backing, and a largeness of imagination in seeing the needs and problems of the institution. With these attitudes to help, the Board will strive to keep the Hospital a center of service to New London and to the neighboring region.

Respectfully submitted,

MARY C. BARRETT,

Secretary

HOSPITAL AID ASSOCIATION REPORT

1947

The Association has held all-day meetings the first Wednesday of each month at the homes of the members with an average attendance of 30.

At these meetings, the hospital mending has been taken care of and articles made for the booth on Tag Day.

This fall, a group of ladies in George's Mills formed a Hospital Aid Association of their own and have been assisting us with the Hospital mending.

Supplies have been purchased for the Hospital as needed. The Nurses' Home and the Superintendent's apartment adjoining have been redecorated and refurnished, making an attractive home. This fall the outside of the building was painted.

A payment of \$300 was made on the mortgage of the Nurses' Home. This will be continued as a project of the Association.

The Association raised its funds from its Annual Rummage Sale, membership drive, donation day, sale of greeting cards and the rental of pillows at the movies and the Barn Playhouse.

The sponsorship of the Blue Cross will be continued this year.

Respectfully submitted,

ELSIE A. PRATT,

President

FOREST FIRE PROBLEM SERIOUS

The year 1947 was one of the worst periods of drouth and forest fire occurrence in eastern United States history. Lack of water ruined crops, lowered water levels and dried up brooks everywhere. Three months of deficient rainfall and abnormally high temperatures resulted in many fires which were mostly well controlled and kept within bounds. Only the high winds beginning on October 23rd caused a few fires to escape beyond immediate control. These few fires resulted in burning some 15,000 acres and the loss of 63 or more buildings in four New Hampshire towns.

All October fires were costly. They burned deeply in the ground and required day and night patrol of large crews of men until the rains came late in October. Towns which escaped from serious fires might easily have been in the midst of the most serious conflagrations we had.

Governor Dale closed the woods effective at midnight of October 15th. With the blow-up of October 23rd, a second proclamation closed all back roads and authorized towns to inaugurate patrol. The effect of this was to cut down subsequent fires for the rest of the dry period.

Local fire warden forces performed an admirable job to hold the more than 200 fires that occurred during this October period. Many men were taxed to the utmost as the emergency continued. To them and all those who did their work, the people of New Hampshire owe a debt of gratitude. The state forest fire control agency based on local town wardens and town crews wherever adequately equipped rose to the occasion and met the test in whatever town their services were needed.

It is now time to take stock everywhere of our fire fighting facilities for the season ahead and to make them adequate where necessary. To this end town fire plans and training programs for wardens, deputies and other key men in each district are being arranged or in progress. If equipment and tools are insufficient properly to equip the available man power in each community with the right tools for the job, they should be provided for at once. The yearly addition of fire tools to the town supply will generally need to be built up. The state sells tools to the towns and shares one-half their cost. Good equipment is important and can help greatly to keep both damage and fire costs at a minimum.

For many years we have requested our wardens not to issue burning permits except on rainy days. This regulation will be in effect again this year as it is one of the best means of assuring such fires from getting out of control. Nine out of every ten fires can be prevented, 98 percent of all fires being due to human carelessness. Be sure to get a permit for any fire in or near woodland when the ground is free from snow. Be sure your fires are always out before you leave them. Help us in getting the traveling public to keep from throwing out lighted matches or cigarettes. Be careful of all fires in or near woodland.

GEORGE F. RICHARDSON, JR.,
District Chief.

MERLE GAY,
Forest Fire Warden, New London.

REPORT OF PLANNING BOARD 1947-48

Work continues on the planning map showing property lines, proposed roads, etc. We hope to be able to show concrete progress by next year.

The planning board has discussed the need for an airfield in New London and feels that this is one of the important matters that demands the thoughtful consideration of the voters.

We are disappointed in progress made on our suggestions in past years and hope to take the initiative again in getting the support of the town to accept or reject our ideas for the betterment of New London.

We have in mind specifically the continuation of Everett Park to meet the Barrett Road, the betterment of the swimming beach at Little Lake Sunapee, the erection of street signs, the straightening of the curve at the Twin Lake Villa boat house.

We are glad to report satisfactory progress on the ski area with the erection of a ski tow and we hope through other organizations to see a skating rink before another year.

ALICE N. WHEELER,

Treasurer.

AUDITOR'S CERTIFICATE

This is to certify that I have examined the books, vouchers, bank statements and other financial records of the treasurer of the school district of New London, N. H., of which the above is a true summary for the fiscal year ending June 30, 1947 and find them correct in all respects.

M. ROY LONDON,

Auditor.

July 15, 1947.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the New London School Board:

I herewith submit my fourteenth annual report as Superintendent of Schools.

Enrollment

The enrollment continues to increase, this year's (209) being 21 larger than a year ago. The High School with its enlarged facilities and excellent administration is attracting more students. This year there are 89 pupils in grades 9-12, compared with 78 last year. We have 26 tuition pupils in the High School. When the new building was first occupied, September 1942, we had only 12 secondary tuition pupils. We also have nine elementary tuition pupils. It has become necessary to purchase additional seats and desks.

The Elkins School is still being operated, at the request of many residents of that section, although it has only eleven pupils. Some pupils who belong in the Elkins district are attending the Central School at their own expense for transportation. If this school were just an ordinary rural school it might well be a question whether to continue to maintain it, but it is not just an ordinary school. It is outstanding in the state not only in regard to instruction in the usual subjects but especially in regard to the development of character and ideals, and projects in the field of music and art, under the direction of its very capable teacher, Mrs. Doris Langley.

School Lunch

From December to April last school year we served an average of 120 lunches every school day. This lunch program proved to be successful beyond all expectations. The lunch was prepared by ladies who came in daily for this service. Pupils helped in serving the lunch, selling tickets, and cleaning up.

The financial report is as follows:

Expenditures

Food,	\$1,579.03
Labor,	637.05
Incidentals,	10.44
Milk served in May,	31.26
Total,	<hr/> \$2,257.78

Income

From pupils,	\$1,711.75
Federal reimbursement,	685.02
Miscellaneous,	51.95
Total,	<hr/> \$2,448.72
Balance on Hand, June 30, 1947,	\$190.94

The money on hand at the end of the season has been used to start the lunch program for the school year, 1947-1948.

Prize Speaking

The ninth annual Heidelberg Prize Speaking Contest was held at the high school March 28, 1947. The first prize was awarded Ronald Cleveland, with the selection "Yes, Your Honesty". The second prize was awarded Janis Lea Heald, "The White Cliffs of Dover"; the third prize was awarded Mary Lou Barton, "The Open Window".

Honorable mention was given to Joan Crane who spoke "The Wheels of Time."

The Junior High School Prize Speaking exercises were held at the school auditorium April 6, 1947. The names of the successful contestants and their selections were as follows: (1) Vernon Squires, "Warts and Spooks"; (2) Laura Homan, "Spreading the News"; and (3) Fred Buker, "Columbus".

Honorable mention was given to Henry Meinecke who spoke "The Magnificent Mutt".

Shop

The shop courses in woodworking continue to enroll a large number of boys, 36 in all. We now are equipped with practically all the tools and machines we need for woodworking. Next year we plan to add auto mechanics, electricity, and metal working. All these courses will be run concurrently. Each will be divided into units and each pupil will complete a specified number of these units every year so that during the four years all the work will be covered. In this way no equipment will be idle at any time. If the boys were all working on the same project at the same time we should have to have more equipment than we can well afford.

Equipment

The audio-visual equipment is being used to very good advantage. We now own a sound moving-picture machine, a balopticon for projection of slides or opaque material, a film-strip projector, and a combination radio and phonograph. The school has purchased about 40 film strips and we rent or borrow motion picture films.

Equipment Purchased 1947-1948

Bench Lathe,	\$399.64
Drill Press,	88.97
Jointer and Mitre Gauge,	107.04
Desks and Chairs for High School,	343.51
25 Tablet Arm Chairs,	275.05
Safe for Office,	32.00
Plates, flatware, trays,	160.89
Range (including installation),	329.77
Sink for cafeteria,	98.10
Disinfectant for washing dishes,	54.75
Napkins,	28.00

Special Repairs 1947-1948

Installation of oil burner,	765.00
Pump and expansion tank on furnace,	218.96
Two additional radiators in gymnasium,	213.81
Relaying drain on northerly side of building (also paid on this, '46-'47),	433.98
Insulating ceiling over stage,	183.00
Roof repairs,	283.85
Oiling driveway,	317.35
New cafeteria in former coal bin,	693.65

Library

The school library has been reorganized and catalogued under the direction of the English teacher, Miss Eleanor Parker. The boys in the woodworking class made display racks for books and newspaper holders.

Posture Classes

Last year Miss Margaret Hoban of Colby Junior College conducted posture classes for pupils in the High School. The pupils were first screened in order that proper exercises could be given to each individual. The regular teachers gave corrective exercises to the various groups, each group meeting weekly for eight weeks. We appreciate the helpful cooperation of Miss Hoban.

Music

This year a school band of about 20 pupils has been organized under the sponsorship of the Parent-Teacher Association. It is directed by Mr. Robert Hall. A small orchestra is also in preparation under the guidance of Mrs. Alberta Fisher. These two organizations are worthy additions to our musical program which has up to this year consisted only of a glee club.

Since I shall retire from my position February 1, next, I want to take this opportunity to thank all my co-workers for their hearty cooperation in carrying on the school program. I have enjoyed having a part, together with the School Board and teachers, in the education of the children of our town. I extend to those who will continue in the service of the schools my sincere wishes for further success and progress.

Respectfully submitted,

ALFRED W. SMITH,

Superintendent of Schools.

- Attended Health Institute at Laconia in April, N. E. Health Institute for three days at Durham in June, School Nurse's Section of State Teachers Convention at Manchester.

Attended a court hearing in regard to care of three children.

Conferred with State Welfare and Red Cross officials in regard to financing remedial work, and innumerable other conferences and interviews held.

A Pure-Tone Audiometer has been added to the equipment in the Health Room, through generous gifts of interested citizens. It is proving valuable in carrying out the health program.

Approximately 500 hours given to School Health Work.

Each year brings added and new problems, and increased time and effort is involved.

Little could be accomplished without the fine interest and assistance of the teaching staff and others, for which your School Nurse is most grateful.
